## Expert lectures

We provide our participants with education and broader insight into the life of professional athletes. We organize lectures on topics such as: "Healthy nutrition for athletes".

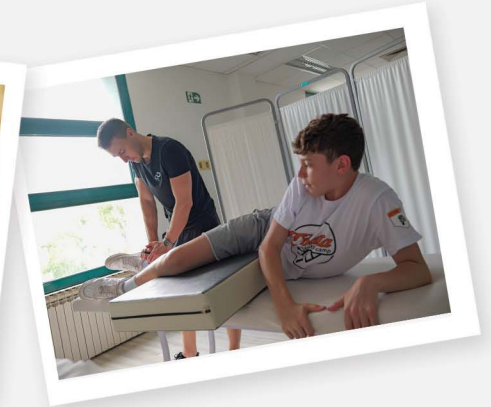

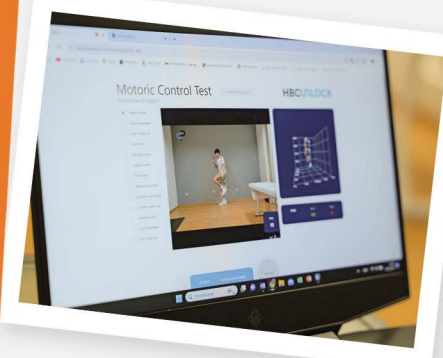

## Dražen Petrović Museum

We organize a tour of the Dražen Petrović Memorial Center, with a lecture by specialized guides who convey the life story of one of the greatest Croatian athletes.

## Isokinetic testing

Additional option. Performed by sports clinic "Patela". The goal of the test is to determine functional state of the athlete along with recommendations from experts for further training.

## Individual practices

For all participants who find that two group training sessions per day are not enough and wish to do additional work, there is an option for individual training (1 coach for a maximum of 3 players).
