The accommodation is at the hotel Well**** on a full board basis. During leisure time, participants have an Aqua park with in - and outdoor pools at their disposal.

PRACTICES

Practices are held at the gym in Zabok, one of the most modern sports halls in Croatia.

COACHING STAFF

Along with experience from working with the pro players or youth categories in their clubs, coaches from our pool have had a great experience working on our camp in the previous 4 editions.

We combine the knowledge and experience of elite pro coaches with the energy and passion of our youth categories coaches.

CAMP'S GUESTS

We hosted great players and coaches on our camp so far: Gordan Giriček, Damjan Rudež, Neven Spahija, Tomislav Mijatović, Dino Rađa, Roko Ukić, Jurica Golemac, Rok Stipčević...

EXPERT LECTURES

We organize education and try to give a wider look into the life of pro players to our participants. They have an opportunity to attend lectures like: „Healthy diet of athletes“, „Mental training“, „Study and play in the USA“...

CONDITIONING

Fitness coaches educate participants about the methods of injury prevention through a program of specific exercises adjusted to the age of the participants and basketball as a sport.

DRAŽEN PETROVIĆ MEMORIAL

The morning off is reserved for a visit to Dražen Petrović Museum in Zagreb. Specialized guides walk us through the story of a basketball legend and one of the greatest European basketball players of all time

SKILLS AND MENTALITY BY ROK

Our participants have an opportunity to share the floor with an active pro player! Last 2 years of the camp every participant experienced the program „Skills & Mentality by Rok“ designed and applied by Rok Stipčević.
